Available Resources

Your stakeholder toolkit includes customizable and versatile promotional tools that will help you be an NDTip advocate in your service area. On the following page is a list of the available tools and ideas for how they can be utilized.

Resource	Uses	Printing Specs	Considerations
Announcement Scripts	These scripts can be utilized as on-air PSAs by your local media or as talking points for your local sports broadcasts.	N/A	
Article	This article can be customized and shared with your local newspaper or any organization that has digital or print publications.	N/A	
Business Card	This compact promotional card is designed with space for your agency to customize with your own logo or name. The small format makes it a great option for booths, desks, or to carry along in your pocket!	3.5 x 2 in with 0.125 in bleed CMYK color	
Poster (Parents)	Customize this poster with your agency's logo and then blanket your community with NDTip information! Perfect for locations such as gas stations, restaurant bathrooms, post office bulletin boards, and grocery stores.	8.5 x 11 in with 0.125 in bleed CMYK color	
Poster (Youth)	Customize this poster and place anywhere teens hang out. Start with school bulletin boards, restrooms, and gymnasiums, and then expand to community hangouts!	8.5 x 11 in with 0.125 in bleed CMYK color	
Rack Card	Customizable rack cards are a great option for booths, churches, government offices, schools, or brochure racks at the local library.	4 x 9 in with 0.125 in bleed CMYK color	When printing for use in a literature display, use heavier paper. If you're going bulk print for distribution, you can save money by printing on lighter paper.
Social Media Toolkit	Use these posts to raise awareness on your own social platforms, or share them with community organizations interested in being NDTip champions!	N/A	
Note Pad	This compact resource is great for small spaces like retail checkout counters or for law enforcement to carry along in their vehicles.	4 x 3 in CMYK color	Your printing vendor will need to know how many sheets you want in each pad. Depending on the situation, we recommend 50 to 100 sheets per pad.
Vehicle Decal	Outfit your law enforcement and public health fleet vehicles with ND Tip decals!	3 x 11 in CMYK color	
Window Cling	Window clings are versatile and can be used in a variety of places, from entry doors to restroom mirrors.	5 x 5 in CMYK color	Your printing vendor will want to know if adhesive should be placed on the front or back of the design. If you're considering placement on restroom mirrors, place the adhesive on the back. If you're placing the clings on an exterior door, place the adhesive on the front (design side).
¼ Page Ad	This templated ad is designed with space for you to customize with your agency's logo or name. This ad can be used in any print or digital publication.	N/A

Bowling Alleys	Posters Note pad Window cling	If there is a bar or restaurant attached to the facility, don't forget to ask about placing materials there, too!
