behavioralhealth.nd.gov/community-connect

An individual working with a Community Connect provider will receive:

Care Coordination

A Care Coordinator assists with support in working towards long and short-term goals.

Peer Support

A supportive relationship with a peer who has similar lived experience and who serves as an advocate and mentor, offering sound advice and resources.

Recovery Services

Recovery looks different for everyone, a provider can assist with access to individualized resources needed to help lead a healthy and fulfilling life.

Eligibility Requirements

- 18 years of age or older
- Resides in North Dakota
- Have a Mental Health or Substance Use Disorder diagnosis causing challenges in areas such as housing, employment, financial, parenting, physical health, and community connections
